

BYOD – Connect to School Wifi

Instructions

If you have trouble with any of the steps below try following the Troubleshooting section in this document before contacting IT Services.

- Step 1** Turn on Wifi
- Step 2** Search for available networks
- Step 3** Select **MSC-Wireless**
- Step 4** Login with your school **username** and **password**
- Step 5** Open an Internet browser
- Step 6** Type byod.msc.sa.edu.au and press **Enter** or tap **Go**
- Step 7** Login to LiveStream with your school **username** and **password**
Don't forget to read and accept the Acceptable Use Policy

The screenshot shows a web browser window displaying the Marden Senior College LiveStream login page. At the top, there is a grey header with the 'LIVE STREAM' logo and the text 'Marden Senior College'. Below the header, there is a white box titled 'Web Access' with the following content: 'Welcome to the Marden Senior College network! We just need to know who you are so that you get the right level of access.' Below this is a 'Username' input field with a placeholder text 'Please fill out this field.' and a 'Password' input field. At the bottom of the white box, there is a checkbox labeled 'I have read and agree to the Acceptable Usage Policy' and a blue 'Log in' button.

- Step 8** If the school website loads you should be able to use the Internet to access websites for school
- Step 9** **You will have to do steps 5 to 8 once a week**

Troubleshooting

If you have trouble with any of the steps above, you can try the following suggestions before contacting helpdesk

Close Open Tabs

Close any open tabs in your Internet browser then try Step 5 again

Restart Device

Restart your device and try the steps above again

Forget Wireless Connection

Open your WiFi connections and delete MSC-Wireless and any other connections that you no longer need and then try the steps above again

Clear Cache

Go to your Internet browser settings and clear the cache then try Step 5 again

Please come to the IT Services window if you have any trouble or need help with the steps above.

Also please remember to surf responsibly as the sites you access and your downloads will still be subject to College filtering and recorded against your login.
