Certificate II in Spoken and Written English

Certificate II in Spoken and Written English is a post-beginner course for students from a non-English speaking background who have developed a basic level of English, literacy or numeracy skills and who have had some formal or informal exposure to English. The course is designed to develop language skills to participate in a range of community contexts. The course also includes elective numeracy modules for those EAL learners who may also need to develop numeracy skills and become familiar with the English of mathematics.

Study requirements:

- 500 hours in class study
- 200 hours of out-of-class study
- 16 hours of classes
- Tuesday, Thursday and Friday

Topics studied include:

- Intermediate learning strategies
- Comprehending and giving spoken instructions
- Comprehending written instructions and completing formatted texts
- Comprehending and composing informal texts
- Comprehending news and information texts
- Comprehending and performing multiplication and division with decimal whole numbers
- Comprehending and using fractions and decimals

Certificate III in Spoken and Written English

Certificate III in Spoken and Written English is an intermediate course designed for students from a non-English speaking background who have already developed some proficiency in English. This qualification helps students to develop and improve their learning, language and communication skills to participate confidently in everyday social, workplace and study situations.

Study requirements:

- 500 hours in class
- 200 hours of out-of-class study
- 16 hours of classes
- Monday, Wednesday and Friday

Topics studied include:

- Advanced Learning Strategies
- Comprehending and participating in casual conversations
- Comprehending and participating in interviews
- Comprehending and conducting presentations
- Composing formal correspondence and completing formatted texts
- Comprehending and composing complex information texts
- Comprehending and giving complex instructions
- Language skills for job seeking
- Comprehending and performing multiple-step calculations

Certificate IV in Spoken and Written English – Further Studies

Certificate IV in Spoken and Written English – Further Studies is an advanced course for students from a non-English speaking background who have developed some competence in the English language and literacy skills and who have had a fair degree of formal or informal exposure to English. This qualification helps students to develop and improve their learning, language and communication skills to participate confidently in study in more formal academic environments.

Study requirements:

- 500 hours in class
- 200 hours of out-of-class study
- 16 hours of classes
- Monday, Wednesday and Friday

Topics studied include:

- Learning strategies for further studies
- Language knowledge
- Understanding academic culture
- Reading and note-taking skills for further studies
- Writing skills for persuasive essays
- Writing skills for academic reports
- Speaking and writing skills for presentations
