To complete the full certificate students can study two days a week for one year or one day a week for two years.

Credit value

Refer to page 8 for more information.

Advice to students

No background knowledge is expected, however students will need to complete a language, literacy and numeracy assessment.

An interest in a creative approach to textiles and fashion is required.

Course overview

This is a course for those interested in a creative approach to textiles. In this course students will cover some of these areas – dyeing, drawing through to stitch, printing on fabric, embellishment, beading, stitching (both hand and machine), applique, colour theory and many other textile techniques.

Assessment

Assessment is conducted throughout the course in both practical and theoretical aspects. Each competency is assessed according to the criteria set in the training package.

Pathways

Completion of this course may lead to further study in Certificate IV in Visual Arts, Design or The Diploma in Visual Arts. Employment opportunities may exist in areas such as freelance studio arts/designer, assistant in studio practice, assistant in community arts and fashion.

Further information

Students undertaking this course will be expected to gain some understanding of the industry through visits to galleries and exhibitions.

Students undertaking this course must complete some 'industry connections' for each unit during the course.
