

Certificate III in Visual Arts (Textiles)

Level

Certificate III in Visual Arts – CUA31115
OAC/MSC RTO – 40046
Part or full Certificate

Course Length

A year long study – one day a week will result in the partial completion of the certificate.
To complete the full certificate students could study two days a week for one year or one day a week for two years.

Credit value

All units of competency are nationally recognised. Students will be issued with a Statement of Attainment for units of competency completed.
Each 70 hours of successfully completed competencies contributes 10 Credits towards SACE completion.

Advice to students

Are you interested in a very creative approach to textiles and fashion? Well, if so, come and join Certificate III on a Thursday for the whole day (and Tuesday all day as well if you want to complete the whole certificate).

No background knowledge is expected, however students will need to complete a language, literacy and numeracy assessment.

Course overview

This is a course for those interested in a **creative part approach** to textiles. In this course you will cover some of these areas – dyeing, drawing through to stitch, printing on fabric, embellishment, beading, stitching (both hand and machine), applique, colour theory and many other textile techniques.

Assessment

Assessment is conducted throughout the course in both practical and theoretical aspects. Each competency is assessed according to the criteria set in the training package. Assessment can be flexible to allow for circumstances, which may involve hardship, sickness or extraordinary circumstances.

Pathways

Completion of this course may lead to further study in Certificate IV in Visual Arts, Design or The Diploma in Visual Arts. Employment opportunities may exist in areas such as Freelance Studio Arts/Designer, Assistant in Studio Practice, Assistant in Community Arts and Fashion.

Further information

Students undertaking this course will be expected to gain some understanding of the industry through visits to galleries and exhibitions.
Students undertaking this course can complete 70 hours of 'industry connections' per year.
