

Society and Culture

Level: Stage I

Course length: 1 semester or

Credit value: 10 Credits

Advice to students

No specific background is required.

Good literacy skills.

Course overview

The study of Society and Culture gives students the opportunity to explore and analyse the interactions of people, societies, cultures and environments. Students learn how social, political, historical, environmental, economic and cultural factors affect different groups; and how people function and communicate in and across social and cultural groups.

Society and Culture

- Prejudice and Discrimination
- Globalisation
- Current Social or Cultural issues

Assessment

There will be three assessment tasks.

Tasks include

- Sources Analysis 25%
- Group activity (Compulsory) 25%
- Investigation 50%

Pathways

This course leads to all SACE Stage 2 Humanities and Social Sciences subjects.
