

# Strategic Directions 2019 – 2021

## Our vision

The leading senior secondary college providing an innovative adult learning environment for students and staff to achieve their full potential.

## Our values

- Excellence
- Respectful relationships
- Diversity

## Our commitment

- Provide engaging, challenging and innovative teaching
- Maintain high expectations of students as independent and resilient learners
- Provide services and programs to support student success and wellbeing
- Maintain a safe, inclusive adult learning environment which values diversity
- Collaborative partnerships with parents, other schools, industry and the wider community

## Our priorities

Quality outcomes for students through:

- Teaching and learning
- Engagement and wellbeing
- Learning environment
- Community connections
