

# Accelerate @ Marden Senior College

*For younger students wanting to  
accelerate their studies*

## Application for 2024

This application process is for younger students (14 years and over as of 30/1/24) who would like to accelerate and complete one Stage 2 Science subject (other subjects available by negotiation) at Marden Senior College, whilst remaining at their home school.

## Accelerate @ Marden Senior College 2024 Application Form

### Application Notes

- Your application will be assessed by a Learning Area Coordinator and a Stage 2 teacher of the subject you are wanting to enrol in.
- You will be notified by return email within 10 school days if your application to complete an accelerated subject at MSC has been successful.
- As only 2 applications per student will be accepted, please ensure your work that you send in is at the highest achievement level you have.

**To apply** email your completed application with the following to **MSC.Accelerate37@schools.sa.edu.au**
