

School Improvement Plan Summary

Marden Senior College

Goals	Targets	Challenge of Practice	Success Criteria
Goal 1. Improve SACE stage 1 and 2 and VET student achievement	2022: Stage 1: at least 95% of Stage 1 results in each semester achieve 'C' grade or better in their SACE Stage 2: at least 85% results in A and B grade band VET: at least 85% completion across the college and annual improvement in each certificate	If we track, monitor and intervene in a timely manner with best practice quality teaching then we will improve student outcomes.	Each student will be able to demonstrate an increase in the sophistication of their writing for a specific purpose, evidenced in their writing samples, making informed decisions about the grammatical construction of their writing. Each student will use conscious language choices and apply this in their writing, as they write for specific purposes and audiences. Each student will monitor the progress of their achievement (learning goals) at 5 week intervals in partnership with their subject teachers/mentor to ensure they are challenged in their learning and tracking for success.
	2023: Stage 1: at least 97% of Stage 1 results in each semester achieve 'C' grade or better in their SACE Stage 2: at least 87% results in A and B grade band VET: at least 87% completion across the college and annual improvement in each certificate		
	2024: Stage 1: at least 98% of Stage 1 results in each semester achieve 'C' grade or better in their SACE Stage 2: at least 88% results in A and B grade band VET: at least 88% completion across the college and annual improvement in each certificate
