

Adobe Creative Cloud Login and Install

Only students that are enrolled in subjects that need to use Adobe software will be given an Adobe login.

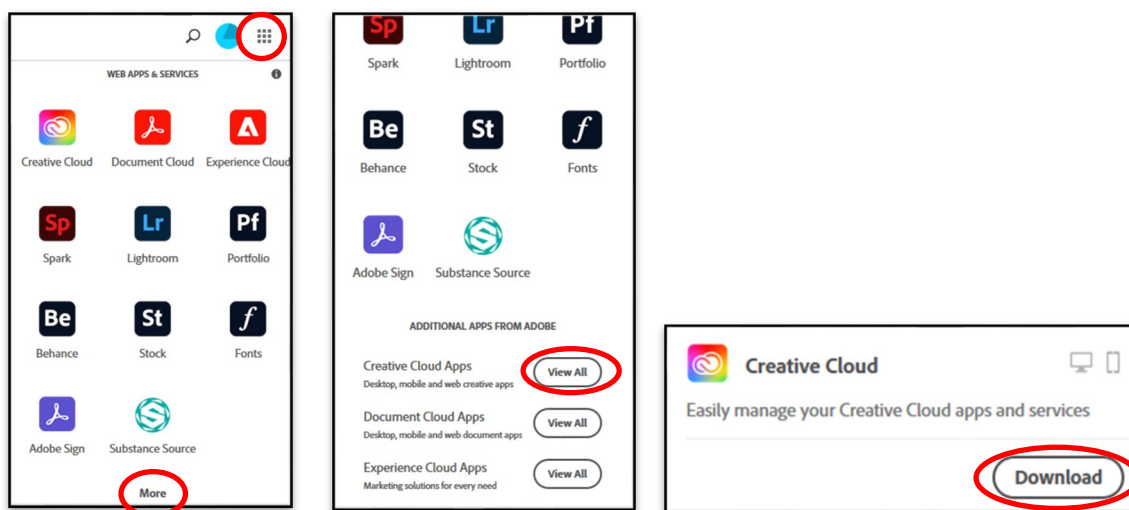

Login to Adobe.com

- Open a web browser (Google Chrome, Firefox, etc.) and visit adobe.com
- Click **Continue to Australia** link
- Click **Sign In** at the top right of the website
- Enter your **@schools.sa.edu.au** email address on the bottom of your timetable or login slip
If you don't have your default login details ask your teacher or see IT Services
- Click **Continue**
- Enter your school username and password on your timetable.
- Select **DFE – Marden Senior College (0583)** when asked to **select a profile to sign in to**

Download and Install Desktop Applications on Personal Devices

- Follow the [Login to Adobe.com](#) instructions above
- Click the **Web Apps & Services** link at the top right of the website 
- Click on the **More** link
- Click **View All** button next to **Creative Cloud Apps**
- Find Creative Cloud and click the **Download** button
- Open the downloaded file and follow the prompts to install

- Click **Install** button for all the Apps that you want to install
The Apps will need to download between 1 and 3 GB each so make sure that you have enough download quota and hard drive space before clicking Install
- After the install you can open the Apps through the Adobe Creative Cloud Desktop app or Start Menu on Windows or Applications folder on Mac 
- You can also Send Link to your mobile and Launch web apps by selecting the Mobile or Web tabs in the Adobe Creative Cloud Desktop app
