

# Change School Login Password

Please view the second page if you want to change your password on your own device

## School Laptop or Computer:

- Turn on laptop or desktop computer
- Login with your school **username** and **password** on the bottom of your timetable or login slip  
If you don't have your default login details ask your teacher or see IT Services
- Once you have logged in press **Ctrl + Alt + Delete** on the keyboard
- Click on **Change a password** option
- Enter your current password and enter your new password twice
  - Password Requirements
    - At least 8 characters
    - At least one capital and lower-case character
    - At least one number character
    - Your password cannot be any of your last 24 passwords
- Click the arrow and press Enter on the keyboard
- If your new password is not accepted make sure that your password meets the requirements above
- When the password has been changed and you are finished with the laptop or computer make sure that you shutdown (on laptops wait for the power light to turn off before closing the screen)
