employment and university
pathways**

**Up to 155 Stage 2 SACE
Credits upon completion of
this qualification**

A Certificate III in Early Childhood Education and Care is designed to prepare you for a career in childcare. The course covers topics such as child development, safety, nutrition and behaviour management. You'll learn how to create a safe and nurturing environment for children, plan and implement educational activities and communicate effectively with parents and other caregivers. Additionally, you'll be trained in first aid and CPR for children along with Safe Environments for Children and Young People.
