

Dear Parent/Guardian

**Re: Wellbeing and Engagement Collection survey**

Our students have been invited to take part in the Department for Education **Wellbeing and Engagement Collection** survey. The survey will be open in weeks 2 to 5 of term 2 (Monday 6 May to Friday 31 May 2024).

**Purpose of the survey**

Young people's wellbeing is an important part of how they learn at school. The survey seeks students' views about their wellbeing and their engagement with school. Students in years 4 to 12 across the state will be invited to participate and the information collected will help the education system and broader community to support young people's health and wellbeing.

**What is the survey about?**

The survey asks students about their social and emotional wellbeing, school relationships, engagement and learning in school, physical health, and wellbeing and after school activities.

**How will students complete the survey?**

Teachers will arrange for students to do the survey during class time. They will be asked if they would like to participate and are free to withdraw at any time.

**Will students' information be kept confidential?**

Students' personal information and identity will remain anonymous. Survey responses are confidential, and no one (including school staff) can use the results to identify individual students.

**What will happen if a student is distressed during or after the survey?**

The survey includes some questions on topics such as student happiness and bullying.

Teachers will inform students that:

- if they find the survey uncomfortable or distressing, they should leave the survey immediately.
- it is not compulsory to take part in the survey as a whole.
- students can skip individual survey questions if they wish.

Students who would like to speak to an adult about any concerns they may have, can speak with a counsellor.

**Where can I get more information?**
